

Protection for business

# About Brit Insurance

An international general insurance and reinsurance group specialising in commercial insurance

FTSE4Good

## Financial Strength

Specialising in business insurance, the Brit Insurance Group is a financially strong company listed on the London Stock Exchange, writing gross written premiums of £1.4 billion in 2008. Our financial strength is reflected in our inclusion in the FTSE 250 Index, and our underwriting platforms consistently achieve robust credit ratings.

As well as being a financially strong company, we are included in the UK FTSE4Good Index Series which identifies companies that meet stringent social, ethical and environmental criteria and follow responsible business practices.

## Local Knowledge

We know the importance of a local presence and that is why you will find our offices across the UK in Belfast, Birmingham, Bristol, Darlington, Glasgow, Leeds, London, Manchester and Reading.

We also recognise that owners of small businesses are increasingly looking to buy insurance online. We have teamed up with a small number of experienced partners who specialise in e-trading to provide solutions for these clients.

## Claims Service

When making a claim, you can be assured that you will benefit from one of the best claims services around. Our confidence in our claims service is underpinned by our claims service charter. Our support centre - on 0800 587 6713 - is open 24 hours a day, 365 days a year. You will get straight through to a member of our support team, based in the UK, within 30 seconds, and will be allocated a dedicated claims co-ordinator.

## Sponsorship

You will also be familiar with Brit Insurance from our high profile sponsorship in the worlds of cricket and design. We have been the sponsor of Surrey Country Cricket Club and the Brit Insurance Oval since 2004, are the Insurance Partner of the Test Match Grounds and Sky Sports' partner for coverage of England's home Test Matches.

We believe good design has a natural link with reducing the risks faced by businesses. This is why we have teamed up with the Design Museum to create the annual Brit Insurance Design Awards and the Brit Insurance Designs of the Year exhibition.
