Tradesmen Insurance

June 2019

Why choose AXA's Tradesmen Insurance policy?

Tailor-made for your business

The Tradesmen Insurance is available to self employed people whose business is based in Great Britain, Channel Islands and the Isle of Man, have a turnover of less than £500,000 and employ no more than 8 people including principals, partners and directors.

Please note, we are unable to accept the insurance if your turnover or number of people exceeds the amounts shown above (temporary employees and bona-fide subcontractors can be included in addition).

You must tell us of changes to the business as soon as possible during the period of insurance and also at renewal.

Automatic cover

Public liability cover is included automatically. You can then select from a range of optional covers which best meet your business needs.

Optional covers

To offer you the most comprehensive cover, the policy can provide a wide range of optional covers to protect your business. Optional covers are

- Personal accident
- Employers' liability
- Business tools, plant and equipment
- Hired in plant
- Contract works

Competitive pricing

We only charge for the cover you select – we won't charge you for cover you don't need.

Individual priced trades

Each trade is priced individually, meaning that you pay the appropriate premium for the type of work you carry out.

Flexibility

Public liability cover for temporary staff is automatically provided for up to 50 days in any period of insurance. This is useful if you need to take on extra staff temporarily to cover busy periods.

Law applicable

You and we can choose the law which applies to this policy. We propose that the Law of England and Wales apply. Unless we and you agree otherwise, the Law of England and Wales will apply to this policy.

Making a complaint

If you have a complaint about your policy you should contact the agent or AXA office where it was bought.

If your complaint relates to a claim on your policy please contact the department dealing with your claim.

If we have given you our final response and you are still not satisfied you may be eligible to refer your case to the Financial Ombudsman Service (FOS).

If applicable, you will receive details of how to do this at the appropriate stage of the complaints process.

Financial Services Compensation Scheme (FSCS)

We are covered by the Financial Services Compensation Scheme (FSCS). You may be entitled to compensation for the scheme in the unlikely event we cannot meet our obligations to you. This depends on the type of insurance, size of the business and the circumstances of the claim.

Further information about the compensation scheme arrangements is available from the FSCS (www.fscs.org.uk).
